2017-2018 Nominating Committee

Every year, one new person is elected to the Provincial Board from each County. Each new Board member serves a three-year term unless, of course, for some reason, they are unable to finish their term. If this should happen, the Provincial Board will select someone to finish out the term in order to keep each County properly represented

If you are interested in running for the Board, please contact one of the names below and they will see to it that you get a nominating paper to sign. This will officially indicate your intention to the Board and the membership.

Elections will take place during the Annual General Meeting which occurs each year during the Fall Workshop.

Everyone is encouraged and welcome to put their name forward for a position on the Provincial Board.
