[Register On-Line](#)

and complete the online form. Please note this form includes other items that I could not remove from the form. It is a one-day event with a lunch. Please check off if you are attending and if you are having lunch.

- **Cost for this workshop is \$20 per person for those staying overnight. \$10 for those not staying overnight.**
- **This Workshop is for Committee Members only (Instructors can attend the Fall Workshop)**
- **Board Members attend for free**

**Note:** the PEI Association of Community Schools *pays for the majority of the cost of this workshop* as a means of making it accessible to all members of our association. Your participation is integral to the Association's ability to do its job. We do have a few guidelines that we ask participants to abide by in order to make the event as effective and pleasurable as possible for all involved:

- **Please return your registration form by April 6<sup>th</sup>** so that we can ensure that there are enough rooms and food for all in attendance.
- Note that this is a peanut-free gathering.
- We hope the sessions are of interest to you. However, sub-conversations happening in a large room full of people while someone is speaking/presenting only diminish the value of the event for everyone involved. Please respect the speaker and the people around you. As well, cell phones should be muted while you are in the meeting rooms
